

ABOUT The NGURU edu SPOT Programme
My Name Is Peter Iam one of the
Nguru edu SPOT Programme Player and i with
my friends have benefited from this programme
by many things we were taught many values
such us Team Work, fair Play, Obedience and honesty.
most of my all friends were drug addicted but because
this Programme keep them busy they stop taking drugs.

This Programme even it gives street children
basic needs such as food and clothes and other basic
needs. I myself I have benefited from this programme
because most of time I keep loitering in the street
staying idle and you know that idle mind is the devil's
workshop. but know i am as busy as bee because of
this Programme. most of time I keep myself busy
by Playing football and other games such us tennis
Basketball, hand ball, and recreational games such us
~~and~~ Riding bicycles. most of our players have been
given certificate by this Programme. this certificate
will help us when we become grown up people.

This Programme have help many refugees
from other countries like south Sudan. It has given
them shelter food and clothes and water. I will not
forget to say that most poor people are given food every
month two times. most students and pupils have
been given money and school fees. most of time many
people uses their leisure time bad but this Programme
have keep them busy. most of street children
are offered with parental care by this Programme.

I will finish by saying that my almighty
bless this Programme and let it expand even
in abroad so that it can help so many
pe people in the world
